

**Assam Mathematics Olympiad 2021**  
**26th September 2021**  
**Time : 10 am to 11am for Category II**  
**12 pm to 1pm for Category III**

**Instructions for candidates**

The candidates who had registered for Assam Mathematics Olympiad 2021 should have received a verification mail containing information about their registration details and the allotted Roll Numbers. The test will be completely online and the candidates do not have to visit any centre. They can appear it from their homes. If any of the registered candidates did not receive verification email then they may send their query to [mail@aamonline.in](mailto:mail@aamonline.in)

The candidates may please note the following rules for appearing the exam :

1. Please make sure that you are logged in the device (mobile/laptop) using the same email id where you have received the verification email. Make sure that you also know its password as you may be asked to login to your email account when you click the test link that will be provided to you before the test begins. Please log out from any other email id in the same device to avoid conflicting ids.
2. You may appear for the test through mobile or computer. It is preferable to use Google Chrome browser. If the test opens in any other browser, then copy the link and paste it in the address bar of Google Chrome browser.
3. Your unique exam link will be mailed to the same email id where you have received the verification email. The link will be sent at least half an hour before the test. On the day of the test, check your email and click on the link to begin your test as per the scheduled time i.e. 10 am for Category II and 12 pm for Category III. If you do not find any email then check your Spam folder. If it's not there in Spam folder also, then please send a message, mentioning your name, category and email id via email ( [mail@aamonline.in](mailto:mail@aamonline.in) ) so that we can send you the link manually.
4. The exam is of 60 minutes duration. As soon as you begin the exam, you will see a countdown timer. It will help you to keep track of the time. The timer will be intentionally set to more than 60 minutes (say 65 - 70 minutes) keeping in mind the possibility of network errors.

**5. PLEASE CLICK THE SUBMIT BUTTON IN TIME i.e. within 60 minutes. PLEASE DO NOT TRY USING THE EXTRA ALLOTTED TIME for NETWORK ISSUES. The exam portal will close as soon as the time is over and your answers will not be recorded. Assam Academy of Mathematics won't be responsible for any such network error or intentional delay in submission as it is beyond our control.**

6. There will be 20 questions. You are to solve them on a sheet of paper. The final answer to each question will be an integer between 0 and 99. You need to enter only the final answer in the space provided after each question. Single digit answers like 5 can be entered as 5 as well as 05. Both will be accepted as correct. The total marks for the exam is 100 and there is no negative marking.

7. There will be a field called Submission ID which will be auto-generated. Please do not make any changes there.

8. The results and solutions of the problems will be announced within two weeks after the exam. Keep checking the website.

**Best wishes,**

**Dr. Prabin Das**

**Dr. Ashish Paul**

**Dr. Debashish Sharma**
