

ASSAM MATHEMATICS OLYMPIAD–2025 24th AUGUST

The Assam Mathematics Olympiad (AMO) is a prestigious state-level mathematical competition organized by the Assam Academy of Mathematics (AAM) since 1987 for students of classes V – XI in three categories, namely, Category - I (Classes V - VI), Category - II (Classes VII – VIII), Category – III (Classes IX – XI). The Olympiad is designed to test students' mathematical understanding and problem-solving skills. The questions are mainly based on arithmetic, algebra, geometry, trigonometry, number theory, combinatorics, sets, relations, and functions.

The competition is also aimed at giving a platform for self-evaluation to the students preparing for the Indian Olympiad Qualifier in Mathematics (IOQM) conducted under the Mathematical Olympiad programme of Homi Bhabha Centre for Science Education, Mumbai.

This year, the competition will be conducted at **55 centres across Assam**. Students interested in participating are encouraged to apply online. [Click here to fill out the Online Application Form](#). Alternatively, students can also submit the filled-in application form (offline) along with application fees of Rs. 150.00 to the centre coordinator of the desired exam centre. The list of centre coordinators, along with their addresses and contact details, is provided in the application form. Interested students are also advised to visit the AAM website <https://aamonline.org.in> for the syllabus, past question papers & solutions. Additionally, centre coordinators may conduct training sessions or workshops for registered participants, subject to the availability of resource persons and sufficient student registration.
