Report of Dhakuakhana Branch:

‘National Mathematics Day’ was celebrated on 22nd December, 2021 at Dhakuakhana College. This celebration was organized by the Department of Mathematics of Dhakuakhana College in collaboration with the Internal Quality Assurance Cell (IQAC), Dhakuakhana College and Assam Academy of Mathematics (AAM), Dhakuakhana Branch. In connection with this celebration, a secondary level quiz competition was held among the students of educational institutions under Dhakuakhana revenue circle. A total number of 20 teams participated in this competition. The quiz competition was divided into two categories: (i) from class VI to VIII (for junior section), (ii) from class IX to XI (for senior section). There were nine teams from junior section and eleven from senior section. From junior section, the best team award was lifted by Sankardev Sishu Niketan of Dhakuakhana, and from senior section, the best team award was lifted by St. Thomas School, Dhakuakhana. The competition was beautifully conducted by quiz masters Rahul Saikia, M.Sc. (Physics) and Girin Baruah, M.Sc. (Chemistry), both are students of Dhakuakhana B.Ed. College, whereas Girin Bouah is also an alumni of Dhakuakhana college.

Before the quiz competition, an inaugural speech was delivered by Haren Saikia, Associate Professor & Head of the Department of Mathematics, North Bank College, Ghilamora. He elaborated attractively the history of Mathematics and Ramanujan’s mathematics in his speech.

The function was concluded at 3.30 pm on that day. The coordinator of IQAC of Dhakuakhana College, the vice-Principal of Dhakuakhana College, the Co-ordinator & the Secretary of AAM of Dhakuakhana Branch, all the teachers of the Department of Mathematics of Dhakuakhana College, the quiz masters, the quiz competitors and almost 120 students of science stream of Dhakuakhana College were present in the closing ceremony of the Program. Along with them a number of other faculties were also present during the inaugural session of the program. The program was hosted by Tabendra Nath Das, Coordinator of AAM of Dhakuakhana branch. Lastly, the Head of the Department of Mathematics offered the vote of thanks to all the people who were involved in the program.

Report of Cachar District Branch:

The Department of Mathematics, Gurucharan College, Silchar and Assam Academy of Mathematics, Cachar District Branch have jointly celebrated the National Mathematics Day on 22nd December 2021 at the Auditorium, Gurucharan College in a befitting manner. The inaugural session of the program was presided over by Dr. Bibhas Deb, Principal, Gurucharan College, Silchar and Chief Patron of the organizing committee in presence of Dr. Mihir Ranjan Nath, Vice Principal, Gurucharan College and Dr. Biplab Chaudhuri, Head of the Department of Mathematics, Gurucharan College. Prof. Shanta Laishram, Professor of Mathematics, Indian Statistical Institute New Delhi, graced the occasion as the Chief Guest. The dignitaries offered floral tributes to the portrait of Srinivasa Ramanujan to pay homage to the mathematical genius. At the very outset, Dr. Biplab Chaudhuri, who is also the President of AAM Cachar District, welcomed everyone to the program and presented a summary of the events in the sched-

ule. He also outlined the previous activities of the Department of Mathematics, Gurucharan College and AAM Cachar District. Speaking on the occasion, Dr. Mihir Ranjan Nath highlighted the importance of mathematics in various fields.

As a mark of respect to their relentless effort in mathematics education, two renowned mathematics teachers of the district Mr. Sajal Kanti Choudhury, Retired Assistant Teacher, Adhar Chand HS School and Mr. Debabrata Sharma, Retired Assistant Teacher, New Oxford School, Silchar were felicitated in the event. The Principal, Gurucharan College had announced the adoption of two schools, namely DNNK Girls HS School, Silchar and Happy Valley High School, Udharbond for academic mentoring by the college.

As part of the celebration, a three days Mathematics Olympiad Orientation Workshop from 22nd to 24th December had also been organized for the students of classes VIII to XII. Around hundred students from various schools and colleges had registered for the workshop. The key resource persons of the workshop were Prof. Shanta Laishram, Professor of Mathematics, Indian Statistical Institute, New Delhi and Dr. Uday Shankar Chakraborty, Assam University, Silchar. The program also had a certificate distribution ceremony where certificates of completion were presented to the students of the three months certificate course on Initiation into Mathematics Olympiads offered by the Department of Mathematics, Gurucharan College in association with Assam Academy of Mathematics, Cachar District Branch. The session ended with a vote of thanks from Mr. Apurba Kumar Nath, Executive Member, AAM Cachar District.

After the inaugural session, a popular talk was presented by Prof. Shanta Laishram on the life and works of Srinivasa Ramanujan. He also gave a presentation on career opportunities in mathematics.
