Estd. 1986

38th Annual Congress of Assam Academy of Mathematics 30th September - 1st October 2024

Organized by

Assam Academy of Mathematics, Cachar District
in association with

Department of Mathematics, Gurucharan College, Silchar

Assam Academy of Mathematics, a non-profit academic voluntary organization was established on 18th July, 1986 to promote and popularize mathematics in Assam. At present, AAM has more than 1300 registered life members comprising of mathematics teachers, students, researchers and math lovers. Since inception, the Academy has been publishing a bilingual (Assamese and English) popular magazine on Mathematics named Ganit Bikash, popular mathematics books, research journal, etc. It has also been organizing state level Mathematics Olympiads to spot young mathematical talents of the state. AAM has 23 branches across the state which are also engaged in promoting mathematics through various activities in line with the aims and objectives of the parent body. The Annual Congress of AAM is held every year to bring together the members of the organization for the common cause of carrying forward the mathematical endeavour with participation of students, teachers and the community at large. The 38th Annual Congress of AAM will be organized by AAM Cachar District Branch in association with the Department of Mathematics, Gurucharan College, Silchar from 30th September to 1st October 2024.

R.C. Gupta Endowment Lecture

R.C. Gupta Endowment Lecture was instituted by AAM through an endowment from Prof. R. C. Gupta, a renowned researcher in the history of Mathematics and Astronomy. The lecture is held every year based on the theme of historical aspects of various branches of mathematical sciences.

Title : *Pythagoras' Theorem: Mathematical and Historical Perspectives*

Date : 30th September 2024

Time : 12:15 pm

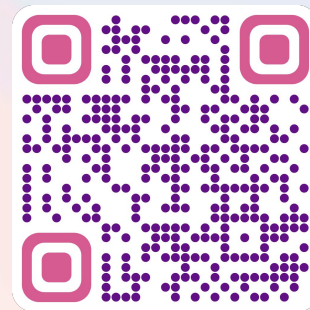

Invited Speaker :

Dr. Goutam Paul

Associate Professor & Head
Cryptology and Security Research Unit (CSRU)
Indian Statistical Institute Kolkata

For participation in the 38th Annual Congress, life members of AAM are requested to fill the form using the following link or QR code :

Assam Academy of Mathematics

38th Annual Congress of Assam Academy of Mathematics

30th September - 1st October 2024

Tentative Programme Schedule

Day 1 : 30th September 2024

9:00 to 10:00	❖ Registration of Delegates ❖ Breakfast
10:00 to 10:30	❖ Flag Hoisting of AAM and its Branches
10:30 to 12:00	❖ Inaugural Session ❖ Felicitation of two mathematics teachers
12:00 to 12:15	❖ Break
12:15 to 12:30	❖ Brief note on R.C. Gupta Endowment Lecture ❖ Introduction of the invited speaker
12:30 to 13:30	❖ R.C. Gupta Endowment Lecture Invited Speaker - Dr. Goutam Paul, ISI Kolkata (followed by question answer session)
13:30 to 14:30	❖ Lunch
14:30 to 16:00	❖ Technical discussion session for AAM members
16:00 to 16:30	❖ Photo session
16:30 to 19:00	❖ Recreational Break
19:00 to 20:30	❖ Cultural Programme
20:30 onwards	❖ Special Dinner

Day 2 : 1st October 2024

9:00 to 10:00	❖ Breakfast
10:00 to 12:00	(Parallel sessions) ❖ General Body Meeting (including tea break) ❖ Math Exhibition (Final Round) ❖ Math minds - students' symposium (Final Round)
12:00 to 13:30	(Parallel sessions) ❖ New EC meeting ❖ MathQuiz (Final Round) ❖ Prize Distribution
13:30 to 14:30	❖ Lunch
14:30 to 16:00	❖ Photo session ❖ Valedictory ❖ Conference Concludes ❖ National Anthem ❖ Flags lowering
16:00 to 16:30	❖ Tea & Snacks

38th Annual Congress
of Assam Academy of Mathematics
30th September - 1st October 2024

Invitation

Dear Sir/Madam,

We are glad to inform you that the 38th Annual Congress together with R.C. Gupta Endowment Lecture will be organized during 30th September to 1st October 2024 at Gurucharan College, Silchar. The events will be hosted by Assam Academy of Mathematics Cachar District Branch in association with the Department of Mathematics, Gurucharan College, Silchar. The resource person for R.C. Gupta Endowment lecture is Dr. Goutam Paul, Cryptology and Security Research Unit (CSRU), Indian Statistical Institute Kolkata.

We solicit your kind presence in the event for the common cause of carrying forward the mathematical endeavour of AAM in line with the aims and objectives of the organization.

Regards

Dr. Prabin Das
President, AAM
(Patron)

Dr. Bibhas Deb
Principal
Gurucharan College
(Patron cum Chairperson)

Sri Apurba Kumar Nath
President, AAM Cachar
(Patron)

Sri Birabrata Das Choudhury
Working President, AAM
(Patron)

Smt. Jayee Nath
HOD Mathematics
Gurucharan College

Dr. Ashish Paul
General Secretary, AAM

Dr. Debashish Sharma
Gen. Secretary, AAM Cachar
(Programme Coordinator)

38th Annual Congress of Assam Academy of Mathematics 30th September - 1st October 2024

About Silchar

Silchar is the headquarter of the Cachar district and the second largest city of the state of Assam. It is also the administrative capital of Barak Valley division. It is located around 330 kilometres south east of Guwahati. Silchar is connected to the rest of Assam through roads, railways and airways. However, in the rainy season, railways and airways are preferred modes of travel. There are regular trains to Silchar from major stations like Bongaigaon, Guwahati, Lumding, Dibrugarh etc. All trains in this route pass through Badarpur, which is around 30 kms from Silchar. There are flights between Guwahati and Silchar. The presence of higher educational institutes like Assam University, NIT, Silchar Medical College among several other colleges makes Silchar an educational hub of this region.

About Gurucharan College

Gurucharan College, established on July 15, 1935, is recognised as one of the leading institutions in collegiate education in Assam. The college's esteemed reputation is not derived solely from its expansive grounds, impressive buildings, or large student body, but rather from its rich academic and intellectual legacy, cultivated over 88-years through the relentless efforts and sacrifices of dedicated individuals who spared no effort or sacrifices in building this monumental institution of higher learning in the Barak Valley. The recent upgradation of the college to the status of a State University by the Government of Assam marks a significant milestone in the institution's history, initiating a new era of growth and development for Gurucharan College.

The Department of Mathematics of the college has been involved in imparting quality mathematics education since its inception in 1935. It has also been instrumental in carrying forward the aims and objectives of Assam Academy of Mathematics through various activities for promoting and popularizing mathematics. The department is closely associated with the AAM Cachar District Branch in all the initiatives taken by the branch in the interest of the mathematical fraternity of this region.
