## Revised Results of Assam Mathematics Olympiad 2022

The result of the state level Assam Mathematics Olympiad 2022 conducted across 47 centres all over the state on 21st August 2022 was declared by Assam Academy of Mathematics on 21st October 2022. The revised result has been declared on 3rd November 2022. A record number of more than 6000 students participated in the examination which involves rigorous mathematical problem-solving over a three hours duration. The olympiad is conducted in three categories, namely Category I (Classes V-VI), Category II (Classes VII-VIII) and Category III (Classes IX-XI). The merit list in each category comprises students eligible for ranks, certificates of merit and certificates of appreciation. In Category I, the first rank holder will receive the Shanti Ram Das Memorial Trophy. The other four rank holders will receive the Praneshwar Kalita Memorial Award. In Category II, the first two rank holders will be awarded the Rajen Das Memorial and Pranjal Talukdar Memorial trophies respectively. The first rank holder in Category III will receive Dr. Subratananda Duwara Memorial Gold Medal. The topper of each category is eligible for Prof. Durgeswar Das Memorial cash award. All the rank holders will also receive books contributed generously by Mr. Pankaj Agarwal, New Delhi. Apart from these, all the rank holders will receive cash awards from Assam Academy of Mathematics. The date and venue of award distribution to the rank holder will be notified later.

The Assam Mathematics Olympiad is an initiative by the Assam Academy of Mathematics to identify mathematical talent among the students of Assam and to encourage them to pursue their passion for mathematics. A number of training programs are also organized under the aegis of AAM to nurture the young talents and prepare them for the national level olympiads IOQM and INMO. The AAM family offers best wishes to all the participants of AMO 2022 for their keen interest in mathematics and hopes that the interest will keep growing.
