# Results of Assam Mathematics Olympiad 2026

The Assam Mathematics Olympiad 2026 (AMO 2026) was organised by the Assam Academy of Mathematics (AAM) on 30th August 2026 at 54 centres across the state. A total of 7407 candidates took part in this prestigious state-level competition, which was held in three categories: Category I (Classes V-VI), Category II (Classes VII-VIII) and Category III (Classes IX-XI). The result of AMO 2026 was declared on 16th November 2026. The merit list in each category includes students eligible for ranks, certificates of merit and certificates of appreciation. The complete result can be viewed on the AAM website https://aamonline.org.in/

Aniket Saha (S.B.O.A Public School, Guwahati), Madrik Bairagi (S.F.S, Guwahati) and Namashya Barman (Maria's Public School, Guwahati) secured the first position in Category I, Category II and Category III, respectively.

In Category I, the first rank holder will be awarded the Shanti Ram Das Memorial Trophy. All five rank holders of Category I will receive the Praneshwar Kalita Memorial Cash Award of Rs. 2,000 each. The first rank holder in Category III will be honoured with the Dr. Subratananda Dowerah Memorial Gold Medal. In addition, AAM will give cash awards of Rs. 3,000 to each of the five rank holders in Category I, Rs. 4,000 to each of the five rank holders in Category II, and Rs. 5,000 to each of the five rank holders in Category III. All the rank holders in every category will also receive books from the Academy.

The awards will be presented to the rank holders at the National Mathematics Day celebration programme of the Assam Academy of Mathematics, to be held on 22 December 2026 at The Assam Royal Global University, Guwahati.

All the rank holders from Classes VIII to XI will be invited to attend a five-day residential Mathematical Olympiad Nurture Program (MONP) 2026, organised by the Department of Mathematics, NIT Silchar, under the aegis of the National Board for Higher Mathematics (NBHM) and the Homi Bhabha Centre for Science Education (HBCSE). The MONP will be held at NIT Silchar from 15 to 19 December 2026.

The Academy has been conducting the Mathematics Olympiad since 1987 to identify mathematical talent among the students of Assam and to encourage them to follow their passion for mathematics. Training programmes are also organised under the aegis of AAM to nurture young talent and prepare students for the national-level olympiads IOQM, RMO and INMO. The AAM family extends its best wishes to all the participants of AMO 2026 for their keen interest in mathematics and hopes that this interest will continue to grow.

Dr. Debashish Sharma
Convener, AMO2026

Dr. Ashish Paul
